VOLUNTEER AGREEMENT AND CODE OF CONDUCT

- I will not betray the confidentiality of my student and will respect my student's dignity.
- If I am not available to tutor for a scheduled time, I will give the parents of my student sufficient notice.
- If I schedule a private meeting room in the library for my tutoring session, I will require the parent to stay in the room with my student and I for the entire tutoring session. If the parent needs to or wants to leave the room the tutoring session will end, and my student will need to leave with their parent.
- I understand that I am responsible to close (and lock) all doors the Library staff have opened for me in order to fulfill my tutoring as I leave at the end of my tutoring session.
- I understand all tutoring must be done in the Library and that meeting twice a week for thirty minutes is ideal for a student's improvement. Parents or a responsible adult person must stay in the Library during tutoring.
- I will not physically, verbally, or sexually abuse my student.
- I will not exploit my student for profit or personal gain.
- I will not use persuasion or coercion to influence my student to adopt a personal, political, or religious belief.
- I understand that my volunteer work does not create an employee/employer relationship with the Brigham City Library or Brigham City Corporation.
- I release the Literacy Program of Box Elder County, the Literacy Coordinator, Brigham City Library, and Brigham City Corporation from all liabilities, injuries, and/or claims incurred in the course of my performance as a volunteer tutor.
